

## Heated Outdoor swimming pool and spa tub

Outside the cottage is a 24' circular heated swimming pool, shared by visitors and our own family and guests (approx. May to September or October, subject to the weather). It is 4'-5' deep and has no shallow end.

On hot days it is gorgeous, reaching up to 82°F

We also have an out-door, hot, bubbling hydro-therapy spa tub (kept at 100°-104°F all year round). Beside the pool there is a barbecue and sunbeds for lounging and soaking up the sun or just enjoying the peace and quiet.

Please bring your own inflatable toys, bathrobes and loads of towels!
